TriCore Reference Laboratories has preferred provider agreements or can accept the listed insurance carriers and networks.

NOTE

TriCore does not accept any Lovelace plan.

CIGNA is a non-contracted health plan. TriCore can accept CIGNA patients via CIGNA's out-of-network benefit, but patients should be informed they might incur an out-of-pocket expense.

Required Insurance Billing Information

Patient demographics; full name of ordering physician; valid ICD-9 code or narrative; copy of insurance card or complete information from card; ABN for specific tests that Medicare may not cover.

List subject to change without notice. TriCore also provides services on a non-contracted basis to other insurance carriers in addition to those listed.

If you have any questions, please call TriCore's main number in Albuquerque at 505-938-8888 or the toll-free number 800-245-3296 and ask for a sales and service representative.
