

DISCONTINUED: UEDDP METHADONE METABOLITE (EDDP) SCREEN, URINE

Effective immediately, TriCore will no longer offer UEDDP, Methadone Metabolite (EDDP) Screen, Urine.

TriCore requests clients take these steps:

- Stop ordering UEDDP
- Order MMTDN (Methadone and Metabolite [EDDP], Urine, LCMSMS) if methadone metabolites are needed.
- At this time there is no other option for ordering UEDDP.

Any tests that have already been ordered will not be processed and individual providers will be notified.

Thank you, we appreciate your understanding.
